

24" LCD widescreen display

slim design with matte black finish and touch key functions
 20000:1 ultra high dynamic contrast ratio
 MagicTune™
 ergonomic stand - 4-way adjustable stand (height, swivel, tilt, pivot)

The 2443BWT-1 offers a space-saving design with all the features you need. Make sure you're in the best position to do your finest work with the height adjustable stand (HAS) and experience superior quality, easy-to-view images with 20000:1 Dynamic Contrast Ratio. Complete with Microsoft® Vista® Premium certification, the 2443BWT-1 is ideal for demanding users.

slim design with matte black finish and touch key functions

20000:1 ultra high dynamic contrast ratio

Every image is illuminated with a dynamic contrast ratio of DC 20000:1. Brighter images are brighter, darker images appear darker, resulting in superior quality pictures.

The slim design gives you plenty of room for all your computer applications and multiple images. Plus, the Samsung 2443BWT-1 is a perfect fit no matter where you enjoy it.

MagicTune™

SAMSUNG's OSD solution MagicTune™ provides simple and convenient adjustment to the best image quality. MagicTune™ is ideal for experts like photographers, designers and multimedia artists, by providing the most user friendly and customized color adjustment function.

ergonomic stand - 4-way adjustable stand (height, swivel, tilt, pivot)

Maximize your efficiency with the height adjustable stand.

5 ms fast response time

The 5 ms response time virtually eliminates any blurring, making this monitor perfect for gamers or anyone requiring crisp, clear images.
